Welcome home to this bright and spacious 3-bedroom, 3-bath end-unit condo in the highly sought-after Victoria Park community. The open floor plan is filled with natural light and features cathedral ceilings, a cozy stone gas fireplace, and a large kitchen with plenty of space to gather. Enjoy the convenience of first-floor laundry, a generous mudroom, and an attached 2-car garage. The main-floor primary suite offers a tray ceiling, private bath, and large walk-in closets. A second bedroom and full bath are also located on the main level. The finished walkout basement adds extra living space with a wet bar, office area, third bedroom, full bath, and ample storage. Step outside to your private deck, perfect for relaxing or entertaining. Just a short walk to downtown Howell's shops and dining. New roof in 2025, Generator hook up installed and so much more. This is truly a must see.
